It is with great pleasure that I formally announce a new and exciting direction in our college’s future development: Ocean View College B–12 “Leading Logistics”

Imagine life without logistics – nothing would get from A to B. Shops would be virtually empty, you wouldn’t have fuel for your car, and the ‘order now’ button would be obsolete.

The maritime and logistics industries are booming - thanks to international trade and online shopping, there are more goods and services being transported around the globe than ever before. In fact, ships carry more than 99.9% of Australia’s import and export trade.

Logistics is - the right product, in the right quantity, in the right condition, delivered to the right customer, at the right place, at the right time, at the right cost.

Why Lead Logistics? - Ocean View College partnering with the Australian Maritime College and Western Futures conducted an environmental scan of skills needs and shortages for the major and emerging industries, occupations and professions in the western region. There was overwhelming evidence showing significant growth in the sector of Logistics. The scan highlighted the need to establish a Logistics Academy, which focused on pathways to ensure that appropriate workforce planning activities are in place and to give future direction to students from the region. Ocean View College sees the logistics field as a highly desirable career pathway for its students providing local employment for local young people.

What this means for Ocean View College - We will seek to develop effective grassroots partnerships that build links between businesses, students, teachers and the broader school community through activities that will increase knowledge and opportunity for careers and further education.

One of South Australia’s greatest resources is our young people. Ocean View College educational leaders are excited about the prospect of forming strategic relationships with local logistic businesses that would support:

• The creation of strong links between schools and industry
• Raising the awareness of employability skills and the needs of business
• Developing positive attitudes towards industry and local business
• Supporting the delivery of logistics curriculum
• Providing industry specific advice for the ongoing improvement of logistics curriculum
• Providing young people with a wider understanding of the logistics sector
• Providing school students with practical career information and expose them to the workplace
• Engaging students and businesses in school based learning and work based learning
• Providing opportunities for teachers and students to gain practical experience in the industry
• Assisting the industry to recognise the skills that young people can offer
• Developing a future workforce

To highlight this new direction a “Leading Logistics” launch will be held at the college early next term. We have invited business leaders and representatives to listen to a presentation and enjoy catered food and refreshments supplied by our Food and Hospitality classes. This is a significant moment in the college’s continued development as a highly performing educational facility.

I look forward to this exciting time ahead and thank you for your on-going support.

Peter McLaren
PRINCIPAL
The staff of the Children’s Centre have been delighted in getting to know the new children have moved into the Wombat and Wallaby rooms over the term creating a safe, secure and happy environment for all.

The Children’s Centre has been very busy with Easter Activities. The Wallaby room have created an Easter display and have done colouring and painting Easter pictures, painting and decorating eggs for the basket and making Easter hats. A parent volunteer will be working with the children to make coloured and decorated eggs. The Wombat room have also had fun with Easter celebrations by painting, sticking, gluing Easter Eggs and Easter Rabbits developing their fine motor skills. The children have also decorated autumn leaves for their tree to put on the wall with their photos. Both rooms spend group time each day singing songs, listening to stories and circle games.

Remember it is a legal requirement to sign your child in and out of the Children’s Centre. Please ensure you remember to sign for your child each day of attendance.

Full fees will be charged if you do not cancel care that is not required over the holidays. Can you advise office staff as soon as possible to ensure that you are charged correctly. Alternatively, should you require additional care for your Preschool children over the school holidays please confirm availability with our staff.

Donation to the centre of old clothes would be appreciated as we have a need for spare clothes in each room should children need a change of clothes during the day. During autumn, as the weather changes throughout the day, please dress children in layers to support their self-help skills with dressing appropriately.

We hope you have a safe and happy Easter and look forward to seeing you all next term.

Sue Davies
HEAD OF CHILDREN’S CENTRE

Thank you to all parents/caregivers, students and staff for your support throughout the first term. It has been an incredibly busy, but smooth start to the year. Our students are extremely positive, happy and settled which has resulted in a record low number of LSCs and Suspensions. I believe this is partly due to our great Social Skills program that we have operating. Students are being exposed to our “bucket filling” program, and the Head Hassler/Mind Master, where they learn to take control of their thoughts and realise that they cause their feelings. Students are currently involved in lots of activities around identifying and acknowledging their strengths. Our Music before school and at lunchtimes has been really successful and will continue next term.

Thank you to our reliable, caring group of Adelaide West volunteers who have continued to develop friendships with the Adelaide West students at lunchtimes. Your support of these wonderful children is greatly appreciated. Thank you to the parents/caregivers who have helped during the term. Any others who would like to listen to reading or assist in classes are very welcome (a police clearance is required by DECD).

It’s been great working with the Smith Family this term. They have set up the Student 2 Student Reading program, awarded scholarships to about ten of our students and assist me weekly in running our two Extension Clubs (where children learn to extend their thinking by developing higher order thinking skills. We have 18 students R-5 involved).

Highlights/events this term include:

• R-1 swimming at Largs Bay. You only have to look at the photos to see how much fun the children had.

UNIFORM SHOP
NEW LOCATION:
downstairs in the Admin Building, near main reception area.

Opening hours are:
TUES 8.30 – 11.30AM
WED 12.30 – 4PM
THUR 8.30 – 11.30AM
FRI 8.30 – 11.30AM
Ph: 0423 513 245

REPORTING ABSENCE CHILD
Please contact the school BEFORE 9am to report if your child is away.
Ph: 8248 1422

REPORTING ABSENCE CHILD
Please contact the school BEFORE 9am to report if your child is away.
Ph: 8248 1422
• Road Crossing training for many of our students.
• Great assemblies run by the children in Mrs Filsell’s, Miss Turner’s and Miss Edward’s classes.
• Continued weekly Preschool/Reception visits which culminated in a play date in week 10. Thanks to Ms Darwin’s class for organising the activities.
• Completed “Bullying” and “Student Engagement” surveys in all year levels. These results were outstanding, indicating high engagement levels and very little evidence of bullying issues. These surveys will be repeated early in Term 4.
• Visits from the Police and Fire Services.
• Zoo visit by Miss Townley’s class.
• Open Day – we had Junior School students helping (great for a Sunday!!).

Have you checked out the middle area in the Junior School? We have made lots of changes, setting up reading areas and creating a more inviting environment. We have also had a door installed to create a designated foyer. It looks great!

Congratulations to the following students who have received Mathletics certificates.
Bronze certificates were achieved by Michael, Trinity, Sumah, Paris, Ali and Joanna.
Silver certificates were achieved by Nicholas, Samantha, Felicity, Amba, Danyal, Gemma, Hollie, Amy, Sam and Joanna.

Congratulations also to the Junior School students who participated in the SAPSSASA events: Damon, Nicholas, Alex, Paris, Cooper, Dylan, Jason, Delacia, Amba, Hollie and Jayson.

Next terms highlights/events include:
• Swimming for Years 3/4/5 students in week 8.
• NAPLAN testing for our Year 3 and 5 students.
• A free event in week 4 to reward our students who have had great attendance and behaviour. They will travel to Adelaide to see the Police Band at the Festival Theatre and enjoy lunch on the Torrens.
• Sports Day (probably in week 5 or 6).
• Assemblies will be in weeks 2, 5 and 8 on Tuesdays at 1:35pm.
• Music is Fun in week 10.
• We will continue with our “Being Grateful” theme, where different classes each fortnight will be asked to bring photos, illustrations, pictures etc of the things in their life for which they are grateful. These are displayed in fancy photo frames in the middle area of the Junior School for all classes to view. The message is “Let’s be grateful for what we have rather than wish for more”.

As you can see we are in for another very busy term! During the first week of Term 2, I will be taking Long Service Leave. Jody Macri will be Acting Head of Junior School and Elyse Edwards will be doing the Counsellor’s role during this time. I know they will both do an outstanding job. Have a wonderful holiday and I look forward to returning in week 2.

**Early Bird Reading**
The Early Bird Reading Program is a new initiative for Ocean View College we would like to trial during Term 2 this year. Students will be supported by our Teacher Librarian Karen McInnes, Library Assistant Christine Katzer and Literacy Coach Linda Dally. It would take place before school from 8:30am until 8:50am each Tuesday morning in the Library. The aim is to encourage and engage students with reading. This will be a special collaborative effort between our Year 2 and Year 6 students and staff. The Year 6 reading leaders will be trained by our Literacy Coach Linda Dally to listen to reading. The students will be invited to come into the Library before school from 8:30am until 9:00am. They can either read to another student or be read to by another student.

Leah McGlinchey
HEAD OF JUNIOR SCHOOL

**JUNIOR SCHOOL COUNSELLOR**

**What is SWAT?**
If your child comes home throughout the year and tells you they have been nominated for SWAT, please CONGRATULATE them!

Students Working Actively Together is Ocean View College’s forum for all students to voice their opinions through the elected representatives.

---

**Breakfast Club**

Join The Breakfast Club every school morning from 7:50AM to 8:30AM for a healthy start to the day.

You can find us outside the Flexible Learning Centre. All students and families are welcomed.

This program is driven by students and volunteers, if you have a spare 20 minutes a week, please come join our fun team.

---

**JUNIOR SCHOOL COUNSELLOR**

**What is SWAT?**
If your child comes home throughout the year and tells you they have been nominated for SWAT, please CONGRATULATE them!

Students Working Actively Together is Ocean View College’s forum for all students to voice their opinions through the elected representatives.

---
Each class from R-7 nominates two responsible, positive and motivated students to meet with the SWAT team for one lesson per week. In these sessions students will discuss concerns and organise activities to help build a strong college community. Activities could include special theme days, lunch time games, fundraisers, casual days or plans and requests for new equipment to benefit all students.

All successful SWAT team members are involved in leadership training and receive a special badge and certificate of participation. SWAT members also occasionally run lunch and recess time activities. The program is a great way to make friends and be part of the student voice.

SWAT represents members who are committed to making Ocean View College a great place for everyone; no matter their age or stage of schooling. It is an honor to partake, and for me as a SWAT leader, to work with such talented and hardworking students. I look forward to the year ahead.

Jody Macri
JUNIOR SCHOOL COUNSELLOR

Congratulations to all students on a great Term 1. Thank you to all of our Parents/Caregivers who came to our Report Evening on Tuesday and collected their reports. It was great to meet and chat and a good opportunity for you to speak to your child’s teacher.

I hope that all staff, students and families have a safe and restful holiday and come back ready for another action packed term full of learning and fun.

Fiona Ryan
HEAD OF MIDDLE SCHOOL

Our Voice Our Impact
“Student connectedness to school and a positive school climate have been identified as two factors that support academic performance and behaviour” (Weiss, Cunningham, Lewis, & Clark, 2005).

At Ocean View College in the Middle School we believe that enhancing that connectedness by providing opportunities for student leadership and recognise student contribution to the College, by the very students who shape our school culture. We believe that student leadership is an integral part of student success; it is the ability of the student body to influence major decisions about its quality of education and learning environment.

In the near future in the Middle School we will be implementing a new leadership program for Year 8 and 9 students. LIMS (Leadership in the Middle School) will provide emerging young leaders with an opportunity to assist us in keeping a clear focus on our planning in the Middle School by encouraging them to ask the key question “Is this relevant preparation for my future life?”. On Friday 5th April a group of specially selected group of students attended a Youth Expo in preparation to becoming a student leader in the Middle School at Ocean View College. These students possess and put into practice our school values: Trust, Respect, Responsibility, Honesty and Friendship. The students interacted with a number of different opportunities available for youth in our community and beyond.

It was an absolute pleasure to take these students out to gain this valuable experience in our community. The students were exceptional in their behaviour, contribution...
and presence. Ocean View College is proud to have such a fantastic group of mature and exemplary students.

MIDDLE SCHOOL COUNSELLOR

NORTH HAVEN SCHOOL VISITS FOR TRANSITION DAY

Transition from primary to secondary school is an important crossroad as young people move from a small self-contained classroom to a large, diverse school environment with increased expectation of independent academic performance and less teachers’ scaffolding. This move across school settings brings with it changes that can have a positive or negative affect on student’s, hence the transition to secondary school is a social and academic turning point for adolescence.

An important aspect in the adjustment to beginning secondary school is the students’ sense of belonging and their socio-emotional functioning, so in other words their level of well-being. A high sense of belonging, the feeling of social connection and being socially connected can lead to higher motivation and grades.

On Thursday 4th April 60 Year 6/7 students visited us from North Haven Primary School as the first step in their transition to secondary school. Ocean View College and North Haven Primary School were involved in a joint transition program for our Year 7 students. The transition day incorporated ‘Campus Life’ a social skills program and ‘A taste of High School’ where students participated in various curriculum lessons. The Year 6 and 7 students from North Haven Primary School and our Year 7 students from Ocean View College had the opportunity to work together during the transition visit.

We completed the second half of the transition visit on Thursday 10th April, where we celebrated our new friendships and took steps towards secondary school with a pizza lunch.

MIDDLE SCHOOL COUNSELLOR

SENIOR SCHOOL REPORT

The Year 10s have been experiencing the world of work this week for their Personal Learning Plan (PLP) work experience block. Thank you to all of the employers who have taken the time to take on our students. It’s very much appreciated.

Parent Teacher Interviews were held in our Senior Centre last Tuesday evening. It was great to see so many senior school parents and care group teachers appreciated putting faces to names. Reports can be collected by parents during the break from the front office.

Holiday teaching sessions are being run at the college by several of the Year 12
teachers. While not compulsory, they would benefit Year 12 students who still have the majority of work ahead of them. Students should report to the front office on arrival to sign in.

All Year 12 students have work to complete on the compulsory subject, the Research Project. Students must achieve a pass in this subject, which wraps up at the end of term 2, so using their break to get on top of things is advisable.

We hope our senior school students have a safe break and a happy Easter.

**Larah Stieg**
HEAD OF SENIOR SCHOOL

**ALARMING TRENDS**

In my eighth year of teaching, I am becoming increasingly alarmed at the obvious lack of sleep in our student body. During the last two years I have been lucky enough to manage our Senior Centre which allows me to work closely with every Year 11 and 12 student on a daily basis. Without sounding alarmist, and simply playing the role of observer, many students enter our gates looking and sounding more like zombies than the vibrant young individuals they have the potential of being. A bit of prying from me paints a clear picture of the reasons for this altered state of our young citizens – phones, games, and social media to the wee hours of the morning. Mondays are the worst. I stopped giving tests on Mondays years ago because I noticed a direct link to poor performance and Mondays. I am guilty of planning too much for my family on the weekends as well. Just last weekend we squeezed in sports trainings, soccer games, a trip to the new Adelaide Oval for a match, a wedding, a visit with some friends, another one with relatives, and time to exercise our crazy dog. My kids are not teenagers yet (9 and 12) and they rebound quite quickly. Still they were exhausted on Sunday night and off to bed at 7:30 and 8:30. Given the option to play on their device or phone, neither one would have fallen asleep any time soon.

The simple science here states that, “teenagers need between 9 and 10 hours of sleep every night. Regularly not getting enough sleep can affect a teenager’s academic and sporting performance” (www.betterhealth.vic.gov.au).

Furthermore, sleep deprivation opens up the possibility for serious emotional issues including anxiety and depression. I hear students say that their phone is their alarm clock or that they simply can’t live without their phone. Witnessing the state of their baggy eyes on Mondays, it seems like they can’t live with their phones either. I urge everyone in our wider community to think about the use of devices in the evening so our students can optimise their success. Whether they are admitting it to you or not, many of our students use their phones in the evenings for more than alarm clocks, ultimately sacrificing their learning potential. At this stage it is up to us, the adults in their lives, to do something about it.

**Michael Groff**
SENIOR CENTRE MANAGER

**AREA RECURSCE CLASS NEWS**

The class attended the 'Ladies of Variety' Easter Picnic held at Carrick Hill, Springfield. We were treated to delicious food, ice-creams, popcorn and fairy floss and received an Easter 'goodie' bag. We enjoyed participating in the many activities including face-painting, pony rides, animal nursery and jumping castles. Students and staff had a wonderful day! We are grateful to the Ladies of Variety for their efforts.

SAASTA
Last week the Students worked with Aboriginal Artists and created their own works of art that are on display in the Aboriginal Education Centre. Also in week 10 our senior SAASTA students will be completing a Certificate III in Sport and Recreation at Regency TAFE as part of the SAASTA program.

WORK EXPERIENCE
Good luck to all of our Year 10 Indigenous students doing work experience in week 10. This year we will have 5 students completing their work experience at various work sites within the Adelaide area.

TURAPANTHI MEDIA PROGRAM
Last week the T-Shirts for the Turapanthi Media Program arrived with all students who participated in the program receiving a shirt. Credit also goes to Teniesha Wanganeen who designed the front of the shirt and feedback from school staff and the community indicate the shirts look fantastic.

MUSIC NEWS

Congratulations to all students in our Instrumental Music Service String program for the excellent start they have made to a new year of learning. Continuing students are now back into their lessons, rehearsal and home practice routines and have worked hard to prepare an extensive number of pieces for the district workshop day in week 9. The workshop this year was hosted by William Light R-12 school and involved approximately 40 string students from Ocean View College, William Light R-12, West Beach, Westport, Grange and Black Forest Primary Schools. Ocean View College students contributed strongly with their playing and participated with great spirit, offering and taking on new ideas and musical skills. Families, friends and William Light students enjoyed a wonderful performance at the conclusion of the workshop. Thank you to all the families and teachers who supported this project and especially to families who managed the transport to and from the event. Well done to Melody, Emily, Tori, Tabitha and Amy.

Members of the String Ensemble also worked hard preparing for a performance at Open Day. Melody, Emily, Tori, Amber, Amy and Nicole reminded us about the charming performance space that is the Japanese Courtyard as they serenaded family, friends and visitors to the school.

We also welcome 2 new classes of string players to the 2014 program. It has been delightful to watch the enthusiasm of these students each week as they work on and master new musical skills.

Jenny Symonds
STRING TEACHER

LIBRARY NEWS

This term Christine Katzer and I have been really rapt and pleasantly surprised in our new library. Not only do the teachers and students from Kindy to Year 9 love coming to their new “space” but they are borrowing many, many more books! Our circulation statistics have proved that the Premiers’ Reading Challenge being taken by more students, a dedicated library lesson for individual classes, weekly, and exciting displays of carefully selected new books have all contributed to a great start.

Feedback from teachers and students has been consistently positive about the “welcoming”, “warm”, “comfortable” and “inviting” space. As the Teacher-Librarian I am loving the IWB on which I can show book trailers, how to search the catalogue, use databases and other research skills.

Please feel free to come and visit us, check out our books, to chat about any concerns and/or suggestions or just to hold one of our three baby spiny leaf insects which “Martha” laid eggs for last year.

Karen McInnes
RESOURCE CENTRE
SACE ART SHOW

Facticlus Nature

On Friday 21st March Ms Stieg Head of Senior School and I were honoured to join former student Hayley Ruthven at the opening of ‘The SACE Art Show 2014’. Her artwork ‘Adelaide landscapes’ was chosen for the Art Show from the best of South Australian and Northern Territory students’ Stage 2 Art practicals. We are extremely proud of her success. The SACE Art Show 2014 showcases selected art and design work created by Year 12 Visual Arts students in 2013. The art work on show ranges from traditional painting and drawing to innovative multimedia works. It is one of the SACE Board’s biggest annual events, and each year the exhibition attracts thousands of visitors. The exhibition runs from Saturday 22nd March to Wednesday 30th April at the Light Square Gallery, from 9am to 4pm weekdays. It will also be open on Saturdays, from 10am to 4pm Light Square Gallery, Adelaide College of the Arts, TAFE SA, 39 Light Square.

The Year 12 annual art excursion this year featured two art exhibitions the SACE Art Show and ‘Dark Heart’ held at The Art Gallery of South Australia. Here’s what a couple of students had to say:

“I thought the SACE Art Show has helped me through my year 12 art by seeing the different art types that were chosen as the best. Also the city art gallery was helpful by seeing the different art movements and gives us ideas for our own art journey.” Mitch Peat

“The best thing I saw at the Dark Heart exhibition was a film installation that explored themes of nature and love” Alison Starick

Throughout April and May Stage 2 students will be taking part of Senior Secondary day workshops in Life drawing and Self-portraiture at the Art Gallery of South Australia with artists Trevor Newman and Renate Nisi.

PE & SPORT UPDATE

SAPSASA Athletics

On Thursday 27th March we had 32 Year 4-7 students representing the school at the Port District SAPSASA Athletics Carnival held at Port Adelaide Athletics Club.

It was a great experience for the students with 13 other primary schools involved on the day. Overall Ocean View placed 4th in the small school division with some fantastic individual and relay performances. Congratulations to the 4 x 100m U/13 Boys (1st); 4 x 100m U/12 Girls (3rd); A Mundy (1st in shot put and discus); K Whitcher (1st shot put and discus); M Deeble (1st shot put); A Elvin (7th 100m finals); and to the many other students who placed in the top 4 of the 200m, 800m and field events.

COMMUNITY NOTICES

Vale: Rex Dix
The Ocean View College staff and students would like to offer their condolences to the family of Rex Dix who passed away recently. Rex would be well known to current students and families who are associated with Largs Bay Sailing Club. In the early years of the sailing program at Ocean View, Rex generously volunteered his time and knowledge for several years, teaching many Ocean View students to sail. Our current program is built on foundations laid by Rex and his colleagues at Largs Bay. Rex was a true gentleman and his irrepressible energy and passion for sailing will be remembered by all who knew him.

CALLING FOR VOLUNTEERS
GEARED 2DRIVE program – Woodville

This is SYCs learner driver mentor program, supporting disadvantaged young people who do not have access to a suitable
supervising driver to achieve their required 75 learner hours. We partner the young people with volunteer mentors who will act as a supervising driver and have held a full Australian licence for 2 years or more.

If you are interested in becoming part of this innovative program or require further information please contact Marina or Sonia via volunteerg2d@hypa.net.au or phone 8244 1299.

**CARTOONING WORKSHOPS**

To help students to create their narrative, we will be holding two comic drawing workshops during the school holidays.

Paul Duff, who is South Australia’s premier cartoonist and caricature artist, will be running these workshops. These workshops are open to anyone ages 9 and over. Bookings are essential.

Ocean View B-12 College is pleased to be offering parents the opportunity to purchase the new Adelaide 2014|2015 Entertainment™ Book to raise funds for Beyond Blue.

We really like the new Entertainment™ Books because they contain many of the area’s best restaurants, cafés, activities, hotel accommodation and much more. These popular Books are packed with over hundreds of up to 50% off and 2-for-1 offers, and over $15,000 value in total that your family can enjoy until 1st June 2015!

The best part is that for only $65 (inc GST) you’ll be helping our fund-raising, with $13 from every Book sold contributing to Beyond Blue. Please let your family, friends, neighbours and work colleagues know we are fund-raising, as the more Books we sell, the more funds we raise!

Books are available NOW and you can order online at: https://www.entertainmentbook.com.au/orderbooks/162b553. If you are unable to order online please complete the form below and return to the School Front Office ASAP and you will receive your book to use straight away.
