Dear Parents, Caregivers and our Ocean View community,

It is with pleasure that I address you in my first newsletter report as Principal, for this term. Peter McLaren is on long service leave until Term 4 during which time I welcome Rebecca Paterson into the Deputy Principal role and Jane Davies as R-7 Curriculum Coordinator.

- **Absences** - please phone the college when your child is absent and record a note in their diary. Staff keep accurate records of attendance and it greatly supports our processes if absences are explained as ‘ill’ or ‘family’ rather than ‘unexplained’.

- **Uniform** - Students are looking fantastic in some of the new uniform options. Apologies for the lack of winter jackets at the moment, orders should arrive in the next couple of weeks. Please continue to support this transition period by purchasing only ALL BLACK shoes and correct uniform articles.

- **A new subject called ‘LOGI BIZ’** - began last week. This is an introductory course to the world of logistics, focusing on the transport of goods from the manufacturers to the sales floor (the supply chain) and the challenges involved in managing this. Students will participate in industry tours to IKEA, Adelaide Airport and Flinders Ports this term.

- **Awards Assembly** - next Monday at 10am, an awards assembly will be held in the gym to recognize Outstanding Academic Achievement in Semester 1 for students from Years 6-12. Please feel welcome to attend and I hope you enjoy reading about the many more amazing activities and student achievements in each of the sub-school reports.

- **Governing Council** - meets next Wednesday evening 6th August 7-9 pm. All welcome 😊

Donna Mason  
PRINCIPAL

---

**NATIONAL CHAMPIONS**

Congratulations to S Miller and E Martin for winning the Gold Medal at the FISAF National Championships held at Melbourne Sports and Aquatic Centre during the school holidays. The girls placed 1st in the Elementary Duo routine and should be extremely proud of their efforts both at the event and the many training session they had to endure to get there. A big thank you to Kerreane Sarti and Shenayde Wilkinson who help coach and train the girls and to both of the girls’ respective families for their support.

S Miller had busy holidays also winning Gold medals at Cheerleading Championships in Adelaide and the Gold Coast.
SSO WEEK

Next week (August 4th – 8th) we celebrate SSO week at Ocean View College. SSOs (School Services Officers) and their work should be celebrated as they are the backbone of our school.

At OVC our SSO’s are highly trained and skilled. They actively participate in all aspects of school life and are always on hand when we need them.

Their duties are vast and varied and they are always willing to do that bit extra with the best interest of students in mind at all times.

Alison Seery is OVC’s Business Manager and part of the School Leadership Team. Alison is responsible for human resources, facilities and financial management of the college.

Paula, (Finance Manager); Christine (School Receptionist/Secretary), Arlee, (Admin Support); Caroline, Jenny and Shelley (Sub School Secretaries) are our Admin team and are well known to staff, parents and students as they are the face of the school and often the first point of call for callers and visitors.

Neil, our Groundsperson keeps our facilities and grounds in immaculate condition and well maintained. He always responds to requests for assistance in an obliging and cheerful manner.

Mark is our Laboratory Manager. Using his knowledge and experience, he supports the STEM staff in all aspects of science and technology curriculum.

Di, still new to our school, has already made her mark in the Resource Centre.

Many of our SSO’s undertake multiple roles. Carmel shares her time between Home Economics and Special Education. Kay, Jemma and Leah support students in the Junior School Literacy Lounge.

Karen Davies supports the Area Resource Class. Her dedication was demonstrated recently when she visited one of her students in hospital in her own time.

Colleen supports our senior students with learning difficulties and disabilities. Even on her day off, Colleen supports transport training for our students by meeting them at the train station at 7am.

Addie, Nadia and Karen work in the Middle School. Nadia has developed a fantastic rapport with students to develop their confidence and skills. In the Literacy Development Centre Addie is dedicated to Aboriginal Education and Karen supports students with special needs.

Then there is the male contingent of Jonathan, Laurence, Yianni, Tyler, Troy and Matt.

Troy, our Systems Manager and Matt, ICT support work tirelessly to keep our network and systems running.

Jonathan, Laurence and Yianni wear a number of hats and are regularly redeployed to support staff and students in various parts of the school.

2014 Term Dates:

TERM 1
28th Jan – 11 Apr

TERM 2
28th Apr – 4th July

TERM 3
21st July – 26th Sept

TERM 4
13th Oct – 12th Dec

2014 Term Dates:

TERM 1
28th Jan – 11 Apr

TERM 2
28th Apr – 4th July

TERM 3
21st July – 26th Sept

TERM 4
13th Oct – 12th Dec
Finally, Kim and Dean are our Aboriginal Community Education Officers, who work with our Indigenous families to ensure harmonious relationships and solid attendance.

The common denominator with our SSO’s is their flexibility, high level of skills and passion for a sometimes thankless job. OVC’s SSO’s are to be applauded for the work they do and the difference they make to the lives of our students.

Take the time to congratulate and thank them for their efforts!!

**OSHC PROGRAM & ACTIVITIES**

In OSHC we collaborate with children to provide play and leisure opportunities that are meaningful to children and support their wellbeing, learning and development. Two afternoons a week children participate in Active Sport where a qualified coach is provided. This service is free of charge for all attending OSHC on the particular day and all sport equipment is supplied.

We will be participating in **Hockey** every **Monday** and **Multi-Skill** every **Wednesday** for 60 minutes per session in term 3.

**CASUAL BOOKINGS**

Ocean View College OSHC adheres to an industry standard staff to child ratio of 1:15. For this reason, it is vitally important we are aware of all children who will be attending the centre every session.

To assist us in this, please ensure you only have your child attend a casual booking after confirming it with our office in advance. I am at the centre from 7am in the morning, so please contact me by telephone on 0451464077 prior to bringing your child to the centre.

Failure to ensure that your child’s booking has been confirmed in advance, will either incur a non-notification charge, or possibly non-admittance for that particular session.

A fee of $15 per 15minutes (or part of) will be imposed for children being collected or left at the OSHC outside of normal closing time (6:00pm). After 6:15pm Crisis Care or the police may be contacted to collect your child.

**PUPIL FREE DAYS**

OVC-OSHC will be **open on pupil free days as well as School closure days**. Our next school closure day will be held on **5 September** and our pupil free day for Term 3 will be held on **8 September**. OSHC will be open from 7am – 6pm on these days.

More information will be available closer to the date; bookings are essential.

**FEES AND CHARGES**

**Before School Care** 7am-8:30 - Session $14

**After School Care** 3:05pm-6pm (Tuesday 2:15pm-6pm) Sessions - $18

Pupil Free and School Closures 7:00am-6pm Sessions - $45 (of part thereof)

Child Care Benefits are available through Centrelink. For more information contact your Family Assistance Office.

If you have any enquires, suggestions or comments, I will be on duty mornings and afternoons. If you don’t find an opportunity to see me you may call the 0481464077 or email me at Nastassja.Uys187@schools.sa.edu.au

**Nastassja**

**DIRECTOR**

**CHILDREN’S CENTRE REPORT**

We would like to welcome all families to term 3, especially our new families with both pre-school or/and child care children. Please see office staff if you have any queries.

The centre as a whole has been focusing on Literacy. Literacy has been incorporated into all parts of our programs. We have posters around the centre and a fridge magnet for all families to take home, with tips on how to encourage everyone to read. This is leading into book week.
The Wombat room has been focusing on transport. In art we have been making a busy bus using our painting and gluing skills. We are now making a rocket with collage. We have been singing songs such as “the wheels on the bus”, “vroom, vroom astronaut” accompanied with musical instruments. We have also been playing with the car mat with cars, trains and planes.

The Wallaby room has mainly been focusing on literacy as well. We have set up an inviting reading corner. This has been encouraging the children to sit in a quiet area to read their favourite book.

We would kindly like to thank Coles at West Lakes for their weekly donation of fresh fruit to our service. The children enjoy the many different varieties of fresh in season fruit that is donated to us. We would also like to kindly thank a family that donated a juicer that we can now make fresh juice with the children, with the donated fruit.

Sue Davies
CHILDREN’S CENTRE

JUNIOR SCHOOL REPORT

Welcome back to Term 3! As usual, it will be a very busy one, with lots of exciting activities and events planned. Today you will receive a semester Overview and Assessment Plan from your child’s teacher. This will keep you informed about the specific topics and learning that your child will be experiencing this semester.

If your child received a ‘D’ or an ‘E’ in any area of their report, you will receive a note from class teachers, outlining how you can assist your child at home. Please don’t hesitate to see myself or any staff member if you need anything clarified.

I would like to welcome back Ms Lauren Switala to the Junior School. She will be taking various classes on Wednesdays, Thursdays and Fridays and filling in for Ms Vicki Turner (along with Mrs Margaret Frost) in her absence. We are delighted to have Lauren return to our College.

We also welcomed two new relief teachers last week – you may have heard that one of them was Mel (from My House Rules). Both were amazed at how beautiful our students were, how settled the school was and how welcoming the staff was. Is it any wonder I love this place so much?!

Here are some important dates for your calendar this semester:

- Thursday 11th August at 11:05am we have the “World’s Apart” performance to prepare students for Book Week. Please ensure that you have paid $5.00 before the performance.
- Friday 22nd August is our famous Book Week Parade, to be held in the Adelaide West gym at 9:30am. The theme is “Connect to Reading” which is great because it means that practically all costumes will be suitable. All children will receive a certificate and there will be two book prizes per class. Remember, the costumes do not have to be elaborate – simple, home-made ones are often more appealing and reflect the messages that we are trying to portray.
- Thursday 18th September (week 9) is Junior School Sports Day. More details will be made available as the day draws closer.
- 15th, 16th and 17th September we will have the Life Education caravan on site, to provide relevant, age-appropriate, interesting Health and Well-being lessons to our students.

Congratulations to Ms Kozned’s class on presenting a wonderful assembly this week. They had practised so hard and it really paid off! Thank you also to the parents who attend and support our assemblies. The students love seeing familiar faces in the audience.

Take the time to check out the foyer and the middle area of the Junior School. We get new furniture this week, our values are displayed prominently and F.L.I.P. activities are set up (Fun Learning In Play – designed especially for our young students who may need some less structured activities out of the classroom). Come and have a look sometime! I have been banned from IKEA because my visits always end...
up in more work for our Groundsperson Neil. I’m sure those flat packs have been the cause of many arguments!

Remember free bread (kindly donated by Baker’s Delight) is available on Mondays and Fridays from the F.L.C. Thanks to Donna, Paula and Pam for their continued support of this program and for making the rolls to provide lunch for many students.

Can you please ensure that you advise the College (either by phoning or sending a note) of reason for any student absences. If we do not know why a student is absent, we have to enter on “unexplained” code and too many of these result in us having to make an attendance report (DECD Policy). A simple explanation can save lots of time and unnecessary work.

Can I stress the importance of coming to see myself or any staff member about any concerns you may have – no matter how small you think they may be! Communication is the key!

Leah McGlinchey
HEAD OF JUNIOR SCHOOL

HELPING AUDITORY LEARNERS SUCCEED

Welcome back everyone! I would like to extend a special welcome to our new students and families who have joined our partnership at Ocean View College.

‘Auditory Learners’ learn best by hearing information and using self-talk, BUT, how do you know if your child is an auditory learner? As a school counsellor, I help students identify which learning style they use, then I share strategies with students, parents and teachers to maximise the student learning.

There are three ways we learn. We either learn by seeing (visual), hearing (auditory) or doing (Kinaesthetic). Sometimes students use a combination of two or more of those learning styles. I practice a variety of assessments to determine how students learn, but generally auditory learners have certain characteristics. Auditory learners are very social, like to participate in classroom discussions and have difficulty being quiet and prefer to work in groups.

Auditory learners often categorize themselves as being ‘stupid’ and they find school work difficult to process and quickly disengage in the task. Making students aware of their learning style helps develop their knowledge towards success. When working with students, I clearly explain that some of us learn best by seeing, some by hearing, and some by doing, let’s see what works best for you. Auditory learners usually:

- Enjoy Talking
- Talk aloud to themselves
- Like explaining things to others
- Understands concepts better by talking about them
- Have difficulty following written direction
- Read slowly
- Have difficulty being quiet for extended periods of time
- Like being read to and enjoys music
- Memorizes things by repeating them aloud
- Like being around other people
- Enjoys the arts

You can teach your child reading by using the phonetic approach and using rhyming word games. Read aloud, even when reading, use auditory materials like books with CD’s, Melodies, rhythms and beats also help to reinforce information. Some strategies to maximize your child’s learning:

- Answer questions orally
- Give oral reports
- Use repetition to memorise
- Recite information aloud when they’re studying (i.e. facts, spelling words)
Parents should also try to give directions verbally, paraphrase key information (i.e. express the meaning of something written or spoken using different words), provide the child a quiet place to do homework. Breakout the tape recorder, the books on tape or CD and those rhyming skills and maximise your child’s learning style while boosting their confidence.

**Jody Macri**  
**JUNIOR SCHOOL COUNSELLOR**

**MIDDLE SCHOOL REPORT**

Welcome back to a very exciting Term 3. Already this term we have had several new students join us from other schools including interstate and I hope they have all settled in to our routines.

A reminder about our uniform, which includes wearing black shoes and not wearing multi-coloured jumpers. Several students are wearing black pants or track suits. Please wear the appropriate colour which is navy blue or grey. Our Uniform Shop is open Tuesday, Wednesday and Thursday this term.

Next Tuesday August 8th Ms Gordon has organised 2 performances of The Mouse, The Bird and the Sausage By the Slingsbee Theatre Troupe. This will be a very exciting drama show and all students in the Middle School are asked to bring $4.00 by Friday.

Our Yr 6-12 Academic Awards Ceremony is next Monday August 4th at 9.50am in the Gym. This is a very important awards ceremony as it recognises those students whose results for Semester 1 were outstanding. The names of the award winners will be in the next newsletter.

Next Friday our Yr 6/7 Boys Football competition begins, our Yr 9 Humanities class is going to Morialta Falls next Wednesday, our other Yr 9 Humanities classes are investigating erosion at our local beaches, and we are having weekly lunchtime practices for Middle School has got Talent.

Friday Week 4 KESAB are coming to meet with our Yr 6/7 and 8 students to present an Anti-Graffiti production called “Respect it, don’t wreck it”.

A reminder to all students, about being in class on time, bringing the appropriate equipment- books, diary, pencil case to class and listening and respecting the teacher. 90% of the Middle School students are continually doing the correct thing and I thank them for this.

**Fiona Ryan**  
**HEAD OF MIDDLE SCHOOL**

**MIDDLE SCHOOL EVENTS**

All students in year 8 and 9 will be participating in the Shine SA program during pastoral care time. The Focus Schools Shine Program aims to improve the sexual health, safety and wellbeing of young South Australians by supporting schools to develop a whole school approach to relationships and sexual health education.

The Shine Focus Schools program focusses on four domains:

- Have increased knowledge and understanding about relationship, sex and sexual health.
- Have increased understanding of, and the ability to practise safety in all aspects of relationships with confidence
- Have increased skills to enable them to establish and maintain respectful positive relationships
- Develop positive attitudes and behaviour relating to sexual health, relationships (including sexual, cultural and physical diversity)

This is a very important part of your students’ development as a young adolescent if you have any issues with your child participating in the Shine program please contact Jacky Smith – Middle School Counsellor.
BOYS CLUB

On Friday afternoons in lesson 5 and 6, Thai Pham from Flinders University works with a small group of year 6/7 boys with a focus on self-respect, self-esteem, teamwork and confidence. The boys are really enjoying the sessions and eagerly await Thai’s arrival.

“It’s great fun and we get to choose a lot of our activities.”

“I enjoy boy’s group because I have now made friends with boys in my class that I didn’t really know before.”

“My favourite part is getting out of the classroom and playing outside with Thai and the other kids in the group.”

The Flinders University Mentoring Program was introduced this year through a partnership between the University and Middle School here at Ocean View College, the program is entirely voluntary.

NUNGA BOYS GROUP

Dean Sumner our Aboriginal Community Education Officer is working with our Nunga Boys in year 6/7 as a mentor. The mentoring group focus is creating a strong connection to culture, self-esteem, self-respect, mutual respect and living in cohesive functioning families and communities. Dean and Kym have been working with the boys largely on creating rules and boundaries around acceptable and shared behaviours. The boys have a large input into the sessions and are developing a positive attitude towards school and community life. The group has been visited by the Port Adelaide Community Police and Alcohol and Other Drugs Group and have been engaged in some very productive discussions with these representatives.

SENIOR SCHOOL REPORT

Well done to our English and Maths teachers at Stage 1 who have received the tick of approval from the SACE Board in the moderation processes, ensuring student work is of the correct standard. Students should realise at stage 1 that they will need a passing grade in at least 1 semester on Maths and two of English to contribute to their successful SACE subject pattern.

Next Monday in Lesson 2 is our semester awards assembly. Students will be acknowledged for their academic performances when their overall grades are considered. Parents of these hardworking students have been sent an invitation to the ceremony to be held in the gymnasium at 9:50am on Monday 4th August.

Yr 10 and 11 students have been given the VET course brochure summarising next year’s courses. A large number of these courses are offering a come and try open session for prospective students which are held very soon over the next few weeks. OVC students are expected to attend an open Day session if they intend to apply for a VET course next year. Please look over the brochure with your student. There is much more information on each course on the vet website: www.wats.sa.edu.au

With the completion of their Research Project which was a compulsory subject completed over the first semester, Year 12 have been invited to apply for Study Leave. Some students have earned the privilege of having a more flexible timetable incorporating elements of home study.
Parental support is needed before this is put in place.

Literature from TafeSA and the state’s universities has been delivered to us. Open days in August are worth attending. There are enough SATAC university course guides for all senior students to take one home. The guide offers extensive information on individual courses and gives last year’s cut off entry scores (ATARs).

Year 11s and 12s have had speakers from UniSA present info sessions over the first two weeks. Next week, our representative from Adelaide Uni is coming to speak to our Year 12s and then hold individual university course counselling to students who wish to take advantage of this offer. Parents are most welcome to attend one of these appointments with their Year 12 student.

Students hoping to apply to Flinders University should also consider taking the Flinders Uni Test. We conduct this online test here at the college which serves as a backup to students’ final Year 12 scores (ATAR). Students should see me or one of the Study Managers if they wish to sit the test.

We will have our Senior School SACE evening on Wednesday 20/8 in the Flexible Learning Centre at 7pm. Parents and Caregivers of Yr 9s and senior school students are most welcome.

Larah Stieg
HEAD OF SENIOR SCHOOL

Friday the 25th July saw the official launch of Caleb Sweeting’s Yewth magazine; a street mag which focuses on skating and youth culture. Yewth has been the culmination of a semester long Research Project topic for Caleb, however his journalistic ventures go well beyond this - Caleb has been previously known for producing the 7 issue Roundabout magazine in 2013.

The launch was held at a ‘pop-up’ shop in Regent Arcade. The ‘pop-up’ shops have been driven by Renew Adelaide, a government initiative to bring together various art cultures and to creatively use unused shop fronts in metropolitan Adelaide. Caleb joined together with another Adelaide artist Dave Court of foolsandtrolls fashion label to put on a successful evening promoting Adelaide fashion and journalistic talent.

You may have noticed Caleb in a recent edition of the Saturday’s Advertiser where he was lauded as a youth to watch. Congratulations go out to Caleb from all at OVC and we wish him a successful future. Keep your eyes peeled for Yewth Volume 2, which Caleb is currently producing.

Jesse Atkinson
RESEARCH PROJECT TEACHER
NIGHT MURAL

Five students from Ocean View College will have their artwork featured in the Night Mural 2014 event at the Hart’s Mill Complex, Mundy Street, Port Adelaide on Saturday 23 August 2014, as part of the 2014 SALA (SA Living Artists) Festival.

10 young artists work will be featured on the night – 50% are from Ocean View College!

It would be great if Ocean View College would really get behind these students - M Peat, R Hatowskyj, E Dangerfield, S Payne & C Mayne.

Katie Sandison their art teacher has been a champion for this project and was instrumental in these students getting involved.

We are encouraging people to book a seat. Cost is $5 per person for a prime viewing seat or $20 for a group of 6.

Bookings can be made at www.NightMural.illuminart.com.au or Port Adelaide Visitor Information Centre 8405 6560. A limited number will be available on the night.

Hot food and drink will be available.

NUNGA NEWS

6/7 NUNGA BOYS MENTORING GROUP

This program has started and will be on THURSDAY afternoons L5 & L6. In week 9 students go back to their normal day & time which is Friday. The young boys will be doing great stuff this term.

SAASTA

Our Year 11 students will be taking part in a Santos Aboriginal Leadership Program from 6th & 7th August.

In the program they will explore:
- Leadership and Team Building activities
- Student’s Futures
- Changing My Attitude and Habits
- I’m Worth It
- Stretching My Comfort Zone

- Student’s strengths and areas of improvement
- Motivating Myself
- Career Options, Career Planning and Preparing for work
- Workshops with a range of Industries and support agencies

LANGUAGE SURVEY

Ocean View College is doing a survey on Aboriginal language to be taught at school and we would like your input. Parents/caregivers please fill in the survey and get it back to us ASAP. We will be sending out a survey on Aboriginal languages to families next week, so please keep an eye out for it.

TRAINEESHIPS & APPRENTICESHIPS

If your child is interested in doing a traineeship or apprenticeship please feel free to phone or come in and talk to Dean or Kym in the Aboriginal Education Centre.

Please call into the Aboriginal Education Centre and talk to us or drop in to have a coffee.

Kym Mitchell and Dean Sumner
ACEO

LIBRARY NEWS

2014 has been very exciting in our new library – everyone has enjoyed having a lovely, welcoming space for each class, and the borrowing statistics have gone through the roof! Nearly everyone from Reception to Year 7 has completed the Premier’s Reading Challenge already, and we have read some excellent shortlisted books again. I would like to thank Tam and Shirley from Greenacres Library for their very generous donation of over 750 books which has improved our collection greatly. We have many avid readers at our school and we all appreciate their gift.

This year’s Book Week theme is “Connect to reading” and we are running a competition for all staff and students, their families and friends. All that people need to do is, with another person, nominate a book that is a favourite for both and to write up to 3 reasons why you both love/connect to that
book. It might be one that grandpa and grandson have read together, mum and daughter, any 2 people who have connected with a book together.

Forms and the box for entries can be found in the library, the prizes will be a $20 book voucher for Bookworld, for the best 5 entries and the winners will be announced at the Book Week parade on Friday 22nd August (Week 5)

Karen McInnes  
LIBRARY TEACHER

PE AND SPORT UPDATE

Reminder to all students who have achieved excellence in the sporting arena either for the college or outside the college, to see me at the gym so their results and achievements can be recognised.

UPCOMING SPORT

- 6/7 Boys and Girls Friday afternoon football (week 2-7) – school oval
- 6/7 Boys Basketball - Friday 8th August
- Open Girls Netball (Round 2 Knockout) – Friday 1st August at Ocean View
- Port Power Leadership Day – Thursday 31st July at Adelaide Oval
- 10-12 Indoor Rock-Climbing – Thursday 31st July at Vertical Reality Holden Hill
- 8/9 Boys and Girls 5-a-side outdoor soccer – Tuesday 12th August
- 8/9 & Open Boys Netball – Thursday 21st August at Henley High
- Open Girls 9-a-side Football – Thursday 21st August at Henley High
- Senior Boys and Girls Badminton – Monday 1st September at Badminton SA Lockleys
- 8-10 Mixed Korfball – Friday 19th September

E Lukat, T English, D Fraser, K Saunders, N Aspland, N Jones, M McDermott-Crisp, C Wojcik, B Reeves and E Curtin.

Narelle Ek  
TEACHER

ZONE NETBALL

Well done to the 8-10 Weekly Netball Team who competed in the Zone Netball competition throughout term 2. Wednesday of week 1 they played Henley in the Grand Final and came out winners by ten goals. The final score was 32-22. A great team effort by all girls involved on the day. Emma Lukat, Nicole Jones, Bekky Reeves, Tayla English, Natasha Aspland, Karly Saunders, Danielle Fraser, Molly McDermott-Crisp and Kailyn Shiers. Also thankyou to Maddee Corbett for scoring and timing as well as Ashlee Jones (year 12) for umpiring.

Ellen Fisher  
PE TEACHER

OCEAN VIEW ROWING CLUB

Our students have been training really hard over winter to build up their fitness and skills before the summer regatta season.
starts at the end of September. The progress these students have made is commendable and they should be proud of their efforts. If there are any students in years 7-12 interested in joining our rowing club please come and see Ms Kingston-Mayne in JL1 either before or after school for further information.

Renee Kingston-Mayne
TEACHER/ROWING COORDINATOR

THE SMITH FAMILY REPORT

Learning for Life Scholarships
The Smith Family education scholarships give families and students the opportunity to access everyday needs for education by reducing financial difficulty and supporting all the family to achieve.

COMMUNITY

NOTICES

Are you eligible?
- Do you have a Health Care Concession or Pension Concession Card?
- Do you have a commitment to your child’s education?
- Does your child attend school regularly?

If so you may be eligible for a scholarship for your child/children.

Families who meet these criteria can receive payments from $384 per year, per student to help with the costs of their child’s education expenses such as uniforms, book, subject fees, excursions and camps etc.

Limited scholarships places are available.

Please contact Julia Dempster on 82483983 or Jessica Moser on 82483110.

The Butterfly Foundation presents

Body Confident Children & Teens

Information and tips for parents

We are pleased to offer parents a presentation that aims to equip you with knowledge, information and tips to help you better understand and promote positive body image at home! This presentation is designed to help you feel empowered to support your child and their body confidence as they move through puberty and adolescence.

Topics include:
- Background on body image and importance of prevention
- Overview of eating disorders and warning signs
- Key influences on body confidence
- Importance of role modeling positive body image and healthy behaviours
- Understanding “Fat Talk”
- Awareness around behaviours that increase or decrease body satisfaction
- Referral information

ACTIVE CHILDREN ACTIVITIES - TERM 3

MONDAY

Basketball SA - Aussie Hoops - 4pm to 4:40pm
Weekly program aimed at children aged 5-13 year olds and provides a great introduction into basketball teaching the basic skills in a fun, friendly environment. For all enquiries please contact Jared 0414 0555 or 0419 779 115

TUESDAY

Allegro Gym Fun Classes (Pre-School) - 10:30am onwards
Are your children ready to tumble? Are you ready to see them be flexible and agile while manipulating lots of colourful apparatus? If so then you are ready for the Allegro Gym Fun Classes, based on the Gymnastics Australia Launch Fun program. These classes focus on strength, flexibility and agility through fun activities, jelly colourful apparatus and parties. Enrolment and Information Days will be conducted at LCS on Tuesday, 12th August and Thursday 14th August from 10am to 12pm. For further enquiries please contact Romana Becker on 0413761021

WEDNESDAY

YOGA for 4 to 6 year olds - Every Wednesday morning from 10:30am to 11:30am
The sessions will be run by experienced YOGA instructor that will help your children develop confidence and learn strategies to integrate and maintain healthy mental and physical health they need in everyday life. For all enquiries please contact Rachelle on 0411 934 140

Learn to Skate - Every Wednesday from 4pm to 5pm and it’s Free!
The sessions will be run by experienced roller skaters that will help your children develop confidence and skills they need to skate freely by themselves. We have a large variety of skates to suit most feet sizes ranging from Children size 10 up! No need to book just come on down!
For all enquiries please contact, on 0410 961 998

THURSDAY

Allegro After School Gymnastics Classes - 4pm to 5pm
Weekly program aimed at children aged 5-13 year olds and provides a great fun introduction into Rhythmic Gymnastics teaching the basic skills in a fun, friendly environment. For further enquiries please contact Romana Becker on 0413761021

FRIDAY

Netball SA - Net Set Go - 4:00pm to 5:00pm, Starting August 08 2014 – Please Book
ANZ NetSetGo has been developed to provide children from 5 to 10 years with the best possible learning and playing experience to develop a positive introduction to netball, which incorporates skill activities, minor games and modified matches in a fun and safe environment. The weekly program is coordinated by accredited coaches to ensure a quality experience for all participants.
For all enquiries and to book please contact us on 8465 6908
