Dear Parents, Caregivers and our Ocean View community,
It was such a pleasure to present awards to students at assembly last week. Congratulations to all the students who received awards for Overall Academic Achievement in their year level and to those students who will receive subject awards in the coming week. We also acknowledged achievement in Sport and the Arts, congratulations to those students involved and to all our students who consistently try hard to do their very best at school and in all that they do.

As parents it is important that we guide and support our children’s decisions as they navigate these precious years. Next week, I invite you to attend our Senior School Expo to gain an understanding of students’ choices in completing their SACE and Senior Schooling.

We have revamped this event that you may have attended before to create an Expo of booths and displays to present information about SACE, VET, University Pathways, Year 10 FLF, careers and much more. Staff, students and special guests will be there to answer your questions directly in relation to your child’s needs.

**Senior School Expo**
**Wednesday 20th August 7-8pm**
Keep an eye out for your invitation in the mail 😊

This event will be followed by Course Counselling the following Tuesday 26th August. Year 8-11 Students and parents need to make an appointment to choose subjects for next year. I look forward to seeing you there.

Our Children’s Centre has an outstanding reputation for the quality of teaching and learning in the Pre-School (Ages 3-6) and transition programs to school for our youngest students. **Vacancies exist** for immediate start with pre-entry or early entry sessions available. Long Day Care (from 6 weeks onwards) is also available.

**OCEAN VIEW COLLEGE VISITS THE ROYAL ADELAIDE SHOW**

The Royal Adelaide Show is an annual event held in September at the Adelaide Showgrounds. Ocean View College has been selected by the Department for Education and Child Development (DECD) to help mark the 30th anniversary for the DECD Learning Centre.

This is an invaluable opportunity to promote our site to visiting families, and also to promote public education through showcasing the exciting and stimulating programs we offer.

Students, staff and volunteers from across our College B-12, will be involved in the show week celebrations taking place from 8 – 12 September. We will be showcasing the following at the event:

- Clowning troupe
- Hip Hop and Aerobics
- Choir and String performances
- Live Drama performances
- Children’s Centre activities and
- Visual Art works
We will also have a range of static displays to promote our curriculum including Sailing, Rowing, Logistics, Doorways to Construction (D2C) and Outdoor Education programs. Face painting and give away show bags will be available to visitors.

If your child is participating in this fun event, you will receive a letter home in the coming weeks for your information and consent. There will be no expense involved, with students receiving a free ticket to the show. We hope to see you there!

**OSHC PROGRAM & ACTIVITIES**

**Reflection of the Week**

This week we have been improving our hockey skills and have had great fun in doing so. Hockey is not only fantastic exercise, it also builds character, improves our ability to make quick decisions and think on our feet.

We stimulated our imagination with Mobilo (colourful construction blocks) by becoming conductors of our own world. We awakened our creativity with arts and craft, making paper dolls, braiding hair out of wool and designed our own clothes for them.

This was a fun filled week and we even learned how to plant different seeds; hopefully it won’t take too long for them to grow in to big strong plants, providing our own organic fruit and veggies.

**Pupil Free Days**

OVC-OSHC will be open on pupil free days as well as School closure days. Our first school closure day will be held on 5 September and our Pupil Free Day for Term 3 will be held on 8 September. OSHC will be open from 7am – 6pm on these days. More information will be available closer to the date, booking essential.

**Fees and Charges**

Before School 7-8:30am - $14 exc GST
After School 3:05-6:30pm (Tues 2:15-6:30pm) - $18
Pupil Free/School Closures 7:00am-6pm - $45

Child Care Benefits are available through Centrelink. For more information contact your Family Assistance Office.

If you have any enquiries, suggestions or comments, I will be on duty mornings and afternoons. If you don’t find an opportunity to see me you may call the 048146-4077 or email me at Nastassja.Uys187@schools.sa.edu.au

**CHILDREN’S CENTRE REPORT**

Book Week commences on the 16th August and all of the children at the Children’s Centre have been busily preparing for it. The children have been encouraged to read their favourite Stories, Nursery Rhymes and Fairy Tales. They have made special crowns and characters from some of these books including Humpty Dumpty and The Hungry Caterpillar. The centre has bought a range of new books and we have had great pleasure in reading and sharing them.

The Book Week Dress up parade will occur on Friday 22nd August at 9.30am along with children from the Junior School and Adelaide West. All children in the Wallaby room are invited to dress up as their favourite book/nursery rhyme character. Parents and Caregivers are also invited to watch the Parade.
The Centre has also purchased new toys and tables. These tables are fabulous allowing the tubs of toys to be changed over quickly adding variety for the children. The children are enjoying having easy access to the toys and the space to create.

SPECIAL INVITATION

“Bring your Dad to Preschool Night”. As part of our learning experiences about “Families” and a lead into the celebration of “Father’s Day”, all children are invited to bring along Dad, Grandpa or another important male figure in their lives. This night will be held on Wednesday 27th August from 6-7pm. Looking forward to seeing you all there!

JUNIOR SCHOOL REPORT

I cannot believe we are going into week 5 – almost halfway through the term! There are just so many exciting events happening in the Junior School that the weeks are flying past.

I would like to remind everyone of the important message that underpins all that we do in the Junior School:

“FAIR isn’t everybody getting the same thing, Fair is everybody getting what they need to be successful”

So what does that mean in terms of our day-to-day operations? Our aim is to ensure that each child in the Junior School is supported, feels safe and is achieving success. How we go about this is different for every child because each one of our beautiful students has different needs. While our College rules are unbending, the processes that we put in place in order for students to feel safe and be successful may vary. I believe this is a major contributing factor in the nurturing, calm environment that we offer our students and their families. Please feel free to come and chat with me about this if you would like further clarification.

On Thursday we were fortunate to see a wonderful performance “Worlds Apart”, which was around this year’s Book Week theme, “Connect to Reading”. Our students loved the engaging songs and audience participation.

Please remember our famous Book Week Parade on Friday 22nd August at 9:30am in the Adelaide West Gym. We hope that all children will dress up in some way and participate in the Parade. All students will receive a certificate and there will be 2 “lucky draw” prizes per class. A special prize will be presented to the most creative costume R-2 and 3 to 5. Remember – costumes don’t have to be elaborate!

During the last few weeks we have welcomed some great new students: Noah, Donny, Leroy, Kent, Shontelle, Isaac, Israel and O’Shea. They have all settled in beautifully to life at Ocean View and we are sure they will enjoy their time with us.

Book Sale – Karen Molmas, our fantastic Librarian, will be selling all of our pre-
BREAKFAST CLUB

Join The Breakfast Club every school morning from 7:50AM to 8:30AM for a healthy start to the day.

You can find us outside the Flexible Learning Centre. All students and families are welcomed.

This program is driven by students and volunteers, so if you have a spare 20 minutes a week, please come join our fun team.

KICKSTART FOR KIDS MENTORING PROGRAM

Breakfast matters! A healthy breakfast strongly impacts on students’ learning success at school. Breakfast Club sponsors.

KICKSTART FOR KIDS are offering OVC a school-based Mentoring Program in the Junior School. The Mentoring approach is based on building confidence through positive relationships and shared experiences and encourages successful participation in school. It is also the partnership of a caring individual who provides young people support to improve in their academic performance, behaviour and attendance at school. There are many ways of assisting students who need extra help to maximise their learning outcomes to develop a positive future career path.

KICKSTART FOR KIDS MENTORING program and OVC is pleased to introduce Michelle Johnson’s return to OVC. Michelle was a valued volunteer last year in both the Junior and Middle School. This year in addition Michelle will assist class teachers to provide a literacy early intervention program supporting student achievement in reading, writing and spelling.

MIDDLE SCHOOL REPORT

Congratulations to the students in Year 6-9 who received Overall Academic Achievement Awards at our Assembly last week. Their names are listed below. Subject Awards and Attendance Awards will be given out next week.

Year 6: Ashleigh B, Erik B, Nicole B, Shakira D, Danielle G, Elliot H, Yasin M, Emily O’D, Thy T and Christopher W.
Year 7: Jessica D, Amber E, Melody H, Maddison H, Mia K, Sylvana M, Olivia N, Emma S, Magenta S, Maureen T and Jhalak Y.
Year 6/7: CePhee Jace Voits
This Friday we have a special performance from Army Regime in the Gym at 9.00am. This popular group have been bought to our school by Jess our Christian Support Worker and will give a hip hop rap performance. Also this Friday KESAB will be presenting an Anti-Graffiti Awareness program for our Year 6/7 and 8 students in the FLC.

Course Counselling is coming up very soon for all of our Year 8 and 9 students. On Tuesday 26th August there will be NO SCHOOL. Instead there will be 15 minute Course Counselling Interviews in the Flexible Learning Centre. Your child should have come home this week with a letter and a Course Booklet. Subject choices are very important especially for our Year 9 students so please take the time to have a read of the subjects offered and a practice on the subject choice form. Please ring Caroline in the Middle School office to book an appointment. If you cannot make it on that Tuesday please give me a ring to make another time.

Last week my Pre Service teacher Craig Morano and I took my Year 9 Humanities class to Morialta Falls and Semaphore Beach. It was a great excursion as the photos show.

**YEAR 8 MELBOURNE TRIP**

Planning for the Melbourne Trip is well underway and we have finalised our itinerary. We still have places available for students who would like to come along. Please see Paula in the front office to arrange forms and payments for the trip. Installment plans can be organised. We do not want anyone to miss out on this great trip. All payments should be completed by 30th October.

**CASUAL CLOTHES DAY / BAKE SALE**

On Friday 15th of August Jessica D and Melody H from 6/7B will be holding a casual clothes day and bake sale to raise money for the Starlight Foundation. Casual clothes will be a gold coin donation; we would prefer students to wear purple or yellow to represent the cause. The bake sale will consist of cupcakes which will be sold for $2 exc GST.

All money donated will be going to the Starlight Foundation. Any extra donations would be greatly appreciated.

**COUNSELLOR REPORT**

Has your child turned into a Teenage Alien?

How many of you have looked at your child like you don’t know who they are anymore? You find yourself wondering where on earth your child has gone and who replaced them with this teenage alien. Take heart you aren’t the only parent feeling this way, in fact your teenage alien is the norm. Often I will have teenagers visiting my office feeling down or sad about themselves and not being able to explain why they are feeling this way. Teenagers today are under a lot of pressure to match up to expectations that are placed on them by society, media, families and school. Add that to hormones, growing, changing and establishing their own identities it is a pretty tough ‘gig’ to be
a teenager. Often teenagers will feel sad or anxious and find it extremely difficult to verbalise as to why they are feeling this way.

You can reduce your teenager’s risk of feeling depressed and anxious.

Establish and maintain a good relationship with your teenager:

- **Show affection:** It is important to show your teenager that they are loved and respected. Express your affection for your child verbally, such as telling them regularly that you love them.

- **Take time to talk:** Make time to chat with your teenager about their day and what they’ve been doing. Try to start conversations with them at times when they appear most open to conversation. Encourage your teenager to notice and enjoy the lighter and funnier side of life. Let them know that you are there for them whenever they need it and that they can talk to you about anything, even difficult issues.

- **Be involved in your teenager’s life:** Regularly engage in enjoyable activities that allow you and your teenager to spend one-on-one time together. Regularly eat dinner together as a family. Get to know who your teenager’s friends are. Monitor your teenager’s performance at school. Take an active interest in what your teenager is doing at school and extra-curricular activities. Encourage your teenager.

As tough as it is being a teenager, it’s just as tough being a parent. But remember be kind to “yourself” — you are learning, changing and growing with your teenager too. There is no one stop shop perfect solution to this parenting ‘gig’ either. Don’t be afraid to tell your teenager you are learning too. Before you know it, your teenage alien will have left for whatever planet they came from and you will find yourself living with a pleasant mature young person.

**SENIOR SCHOOL REPORT**

We started last week with an assembly in the gym to acknowledge our students who have put in a consistent and diligent term and achieved excellent grades. Congratulations to our:

- **Year 10s:** Catherine W, Emma L, Joel B, Paige C, Kyle S and Asia S.
- **Year 11s:** Stephane P, Rebecca A, Sheridon C, Skye H, Chelsea P, Emily M, Emma D, Georgia H, Jessica J, Jessica J and Michael C.
- **Year 12s:** Jake Z, Caleb S, Mitchell H, Tayla B, Toni P and Tyla H.

Michael Groff escorted our Senior School students interested in a career in the Australian Defence Force to a seminar at Golden Grove High School. The ADF presented information on career paths and entering the forces as an officer.

Wednesday our Year 10 students visited the SACE Research Project Expo at Wayville Showground. The Research Project will be a big part of the curriculum for these students next year as it’s a compulsory SACE subject. The Expo will provide our students with the experience of meeting past students who have conducted their own Project on a variety of topics.
Next Wednesday 20th August from 7 to 8pm in the Senior Centre, parents and caregivers of students in Years 9-11 are invited to our Senior School Expo. Come along to visit a variety of booths with information on the PLP, the Research Project, the Senior Centre, Universities, SACE, our VET courses and more. Take the opportunity to make a booking for our upcoming Subject Counselling day (Tuesday 26th August) during the evening.

Senior school students now have a subject selection sheet and the curriculum handbook to take home for discussion. There is also the opportunity to select VET courses on the subject counselling day. If students have questions about subjects, there is time to chat with care group teachers, individual subject teachers, our study managers or counsellor. We have also had a delivery of the University Course selection books. Senior school students are very welcome to take one of these blue books home. They are on display in the Senior Centre.

The Flinders Uni rep presented information to all of our year 11s. It is never too early to think about post school options. The reps will be back in to talk with our Year 12s soon. Meanwhile, the SACP tertiary entrance website has now opened for next year’s intake. Students have had an overview session on how to apply and we are following up with individual sessions with each Year 12 to nail down post school options.

YEAR 9/10 POWER LEADERSHIP DAY

Damon M, Kasha C, Tayla C, Cindy V, Charlie A, Hanisha M and Caitlin B were selected to represent OVC at the inaugural Power Leadership Day at Adelaide Oval.

This concluded the Port Power’s 3 week presentation at OVC to Year 9’s and Year 10 girls. Students were involved in interactive discussion covering topics of goal setting, motivation, what makes great leaders and the fundamental essentials of teams. These all presented by various community representatives and students were also given the opportunity to tour the Adelaide oval including the Power change rooms and Suite 1. This was a fantastic opportunity for our students and we look forward to these students taking up roles in student leadership teams in the future.

VET – D2C CIVIL UPDATE

The Doorways 2 Construction – Civil program has had a very busy year to date. The students were initially involved in training in the safe operation of plant, site safety and skills development exercises. All of term 3 [Mondays all day] and the first 3 weeks of this term the students have been working on a live civil construction project at the Cruising Yacht Club [CYC]. It has been a fabulous opportunity for the students to work off site on full size project. The project involved the clearing of the site and preparation of concrete borders and then the laying of a very large area of paving. This allows easy access for CYC members to their sailing equipment containers. Skills students developed included:- site safety, taking levels and use of the laser level, measuring and calculation of quantities, use of plant to prepare a site ready to lay pavers, mixing and placing concrete, laying and cutting pavers using a diamond saw.

The students were great ambassadors for the college and while working off site they enjoyed the project and the challenges it presented them. They worked wonderfully well as a team and completed the task to a high standard. We thank the CYC for allowing the students on to their site, supplying the materials and opportunity for the students to develop their skills.

PE AND SPORT UPDATE

A big thankyou to Nick Warren (Project Officer - Premiers Be Active) for conducting the workshop and introducing games that all staff can incorporate into their daily class schedules. It was great to see so many R-7 staff involved in the workshop.

All R-7 students will commence the Premiers Be Active campaign from week 6 and conclude in week 9 on Junior School Sports Day, which is Thursday 18th September (4 weeks). The Premiers be active Challenge is a programme designed to increase the physical activity levels of young people.

The Challenge requires participants to complete at least 60 minutes of physical activity daily for up to 4 weeks. This physical activity can take a multitude of forms ranging from active house work and walking to school, through to playing sport. Students simply need to record their daily activity on the “Be active” sheet that will be sent home in week 5 and have their teacher approve this online. They will be recognised with a medal or an alternate prize after they complete 4 weeks (a bronze medal in the first year, silver in the second, gold in the third, then champion, legend and hall of fame).

As a parent / caregiver you will have a vital role to play in this Challenge. Your encouragement, motivation and support for your child will make a real difference to the success of the Challenge.

If you have any questions in relation to this then please contact Bradlee Wilkinson at the school. Information will be sent home during week 5.
Some staff and students have decided to tackle the City to Bay fun run to further promote physical activity amongst the college. The event has been opened up to Year 10-12 students (and invited Yr 9’s) to train and compete in the 6km or 12km run or walk. Students interested need to collect a consent form from the gym and return it to Paula Sandford or Bradlee Wilkinson.

Forms need to be returned by Friday 22nd August to ensure that race numbers are sent to the school prior to the event. Parents and family members are also encouraged to compete. A reminder that students also need to make their own travel arrangements to and from the event so car-pooling or public transport is recommended.

Student cost is a 50% discounted price of $15 ex GST, Adults are $45 exc GST. If you have any questions in relation to this please contact Bradlee Wilkinson at the school.

**6/7 SAPSASA Basketball – 3rd Overall**

Our 6/7 Basketball team proved to be very competitive at the SAPSASA tournament held at Port Adelaide Recreation Centre on Friday 8th August, finishing 3rd overall with 5 wins and 1 loss.

Well done to K. Whitcher, D. Watson, T. Wanganeen, S. Stewart, Y. Krmly, N. Bath, S. Turkey and B. Burgess for their efforts on the day, and two Year 12 Physical Education and Integrated sport students B. Brann and L. Davis for assisting with the coaching and supervision on the day.

**Indoor Rock Climbing – Western Zone Champions**

Congratulations to our Indoor Rock Climbing team who finished 1st overall at the Western Zone carnival held at Vertical Reality, Holden Hill. Prospects were looking good with two individual firsts and fourths at the end of the qualifying climbs, however the final climbs under competitive pressure changed the overall placing.

Well done to the following:

- Female: C. Wojcik (2nd overall), S. Miller (4th overall), A. Lehmann (Male: B. Miller (2nd overall), N. Male (4th overall), M. Hodder, K. Playford, J. Cox.

**8/9 5-a-side Outdoor Soccer – 4th overall**

Our 8/9 Soccer boys put on a great display at the 5-a-side soccer tournament held at Woodville High on Tuesday 12th August. They finished 2nd in our group with 5 wins, 1 draw (against Underdale who were the overall winners for the day) and 1 loss.

Ocean View played off in the final for 3rd overall, however went down 1-3 meaning they finished 4th overall out of 18 teams.

Congratulations to B. Cedro, L. Reid, J. Stewart, T. Friend, C. Agostonine, M. Cail, Q. Huan and N. Wait (goal keeper) for their efforts throughout the day.

Yr 12 Integrated Sport students B. Miller and C. Horn also need to be thanked for the efforts with coaching and refereeing.
National Aerobics
Congratulations to Jasmin S (Year 8) for her 1st place at the National School Aerobics held in the Gold Coast. Jasmin competed in the Pairs Yellow Stream for her aerobics club, Aeroforce. Jasmin also won 1st place at the recent FISAF Nationals held in Melbourne, competing in the Pairs National Stream. She placed 6th in the individual section.

Roller Derby
Congratulations to M. Woolmington, J. Ross, J. Burgess, H. Crichton and J. Marriot (umpire) for their efforts in the Little Adelaide Rollers team that competed and won against the Blue Mountains Junior Roller Derby in Sydney during the recent school holidays in July.

Their next competition is the Nationals to be held in Adelaide at Le Fevre Community Centre from the 26th-28th September. Good luck!

OPEN GIRLS KNOCKOUT NETBALL
At the end of week 2 our Open Girls Knockout Netball Team competed against Mitcham Girls High School in round 2 of the Knockout Netball Competition. Unfortunately the girls did not progress to the third round, losing to Mitcham 67 – 13. The Ocean View College team did very well to stay in the game up until half time, however a taller and stronger Mitcham side broke away in the second half. A fantastic team effort by all involved! Well done girls!
