From the Principal

Remembrance Day Ceremony at Ocean View College
On Tuesday 11th November, Ocean View College will commemorate Remembrance Day with the following:

- Mr Michael Groff and OVC students will attend the Semaphore Port Adelaide RSL “Ceremony of Remembrance” at the Semaphore War Memorial to lay a wreath.
- All students at Ocean View College will place “Red Poppies” (supplied by Semaphore Port Adelaide RSL) on Tuesday morning at the northern mound of our oval creating a giant poppy shape for all to see. Classes have been rostered between 9:00 to 10:30am to do this.
- All students at Ocean View College will attend a special Ceremony of Remembrance located at the front entrance of our college starting at 10:40am. and concluding at 11:05am. Parents/caregivers are invited to attend this significant event in our college calendar.

A continued focus on our new uniform
Parents have requested a larger photo of our new college uniform. Please visit our website at www.oceanview.sa.edu.au to view the College’s uniform requirements. We also provide larger A3 photo presentations of the new uniform in all sub-school areas, including our front office foyer area and uniform shop.

Our Uniform Shop will continue to provide new stock containing a large variety of sizes for students to try on before purchase. Junior School parents are reminded that existing “Teal” Polo Tops can be worn as PE tops in 2015 and beyond.

All students are required to wear ALL black shoes. Any colouring on the shoes will need to be painted black. We look forward to and appreciate the continued cooperation by all with this matter.

Harbor View Campus in Port Adelaide
In 2015 Ocean View College will officially open its new off-site campus “Harbor View Campus” located on the corner of Lipson Street and McLaren Parade in Port Adelaide. We plan to move into the newly renovated site, “The Harbors Board” building in early December with Orientation Week for students at Harbor View commencing Week 1 2015. This new learning centre will provide career pathways for 3 clearly defined groups:

- Certificate 3 in Business – Logistics Stream: This highly accredited certificate course links logistics and business studies with the “real world” of Industry, especially in the Logistics field.
- SACE Dynamic: SACE completion linked with Industry connection, placement and opportunity is a clear expectation of this course.
- Flexible Learning Option: Flexible learning linked clearly with Industry connection, placement and future opportunities.

Ocean View College through its Harbor View Campus location see significant advantages of having this extended arm to our college and further pathway opportunities for our students. Our existing off-site campus “Bridges” will close at the end of this year.
2015 MATERIALS & SERVICES CHARGES

At last week’s meeting, your Governing Council voted unanimously to increase the Materials and Services charges for 2015 by $10; in line with the Adelaide CPI indexation rise of 3.1%.

They also approved for the Poll of M&S charges to proceed. You will have received a voting slip in the mail last week. Please remember, we are not asking you to approve the $10 increase – your Governing Council has already done that (in consultation with the school community). We are asking that you vote Yes for the whole amount be legally recoverable in the case of non-payment. We thank you for your anticipated support of this. Please return votes by the 14th November. A No vote will mean that the M&S Charges will still increase by $10; but that we cannot legally recover the whole amount.

BECOMING A HOST FAMILY

Ocean View College would like to extend an invitation to our college community to participate in hosting a Japanese student from 13th - 21st March 2015. We are also looking for families who are able to look after a Japanese exchange student, who is competent in English, from the beginning of Term 1 until the end of Term 4 2015. Both are excellent opportunities to make new friends, learn more about Japanese culture and perhaps improve your Japanese. They also involve a payment to host families. For more information, contact Linda Grinups on 8248 1422.

OVC DRINK BOTTLES

On sale in the Front & Junior School offices for $5.00 (inc. GST).

CHILDREN’S CENTRE REPORT

Wombat room have been concentrating on Sensory activities which include feel, hear, see, smell and taste. The children have been doing collages, gluing flowers and painting butterflies and caterpillars. The children are enjoying the stories of Going on a Bear Hunt and The Green Sheep.

The Wallaby room have completed the Emergency Services part of their program and will start with the Christmas festivities next week. Each room will start to practice the songs for the Christmas Party.

Transition visits for children starting school in 2015 will commence this Friday please see Preschool teachers should you require further information.

REMININDERS:

Preschool Graduation will be held on Thursday 4th December at 6pm at the Children’s Centre for the preschool children starting school in 2015. This is for the children who have attended Ocean View College Preschool Service.

The Children’s Christmas Party will be held on Wednesday 10th December arriving at 6pm for a 6.15pm start. Children will be performing several songs to the families followed by a visit from Santa with a gift for children who attend our Children’s Centre. Food and refreshments will be provided.

CLOSURE DATES: Preschool finishes on Friday 12th December. Child care will continue until closure at 12.30pm Friday 19th December 2014. If you require child care for this week please see office staff.

OPENING DATE: The Child Care Service will reopen at 7am Monday 5th January 2015.

THANK YOU

Thank you to Graham for working as a volunteer gardener in the children's centre. We really enjoyed his company and his gardening and we wish him all the best in retirement.
JUNIOR SCHOOL REPORT

What a busy 4 weeks we have had and who can believe we are almost half-way through the term?

Survey results - We have been busy collating different surveys to determine the effectiveness of many of our programs and informing future directions. Our “Bullying” and “Engagement” survey results were very pleasing.

Years 3/4/5 Bullying Survey results – 88% of students said they had not been bullied in the last 2 terms. This was an 8% improvement on our March surveys. While this is a pleasing result, we will not lose sight of the 12% of students who claim to be bullied. Individual plans will be put in place to ensure their safety and well-being.

<table>
<thead>
<tr>
<th>MARCH 2014</th>
<th>% of students NOT being bullied (77 responses)</th>
<th>80%</th>
</tr>
</thead>
<tbody>
<tr>
<td>OCTOBER 2014</td>
<td>% of students NOT being bullied (75 responses)</td>
<td>88%</td>
</tr>
</tbody>
</table>

Years 3/4/5 Engagement Survey results – Improved by 10% from March this year.

R/1/2 Bullying Survey results – **Overall improvement of 5% in the “always” responses with a decrease of almost 3% in the “rarely” responses.

- March 90 responses
- October 83 responses

<td>5%</td>
</tr>
</tbody>
</table>

These results don’t “just happen” – they come about through the hard work, enthusiasm and dedication of many people. Our Social Learning Program has played a major role and I would like to thank all the parents who responded to the survey that Luke Jenkins and I sent to all families. It was great that we received 95 replies and the results were extremely positive.

Parents were asked to gauge the improvement in certain areas their child’s social development over the 2014 year.
Extension Clubs – I would like to thank the Smith Family for helping run the two R-5 Extension Clubs this year. It has been a delight working with both the Smith Family volunteers and these highly motivated, enthusiastic students. We had our final celebration last week, but hope to continue in 2015. Congratulations to Koby, Dakota, Fraser, Zayden, Seba, Jett, Skye, Suhayla, Finn, Jason, Jacob, Amy, Sam, Riley, Dyani, Jayson, Ariel, Benji, Cadence, Damian and Selena. It’s been wonderful working with you.

Assemblies - Congratulations to Ms Darwin and J13 for hosting a great assembly. It was good to see so many classes presenting their work. Congratulations to the many students who have received medals for the Premier’s Be Fit Challenge and thanks to Mr Jenkins and Mr Wilkinson for organising and coordinating this great program. Our next assembly is week 6 (Tuesday 18th November at 1:35pm).

Transition – our Preschool to Reception and Year 5 to 6 Transition processes are all in place. It was lovely to see our new Receptions having their first visit today with Miss Edwards and Miss Townley. I also enjoyed spending time with our new parents as we talked about the “trials and tribulations” of sending children off to school.

Uniform – Please remember that all Junior School students need to be in our new uniforms next year, as the 12 month “phasing out” of the old uniform will end.

Classes for 2015 – as I mentioned in the last newsletter, we will be structuring classes shortly; so if you have any concerns about your child’s placement for 2015, please contact me (preferably in writing). We take into account many factors when organising classes, but you may have some information of which we are unaware.

Here are some reminders of important dates this term:
- Junior Idol – week 7, Friday 28th November at 9:30am (hopefully at Adelaide West)
- Year 5 Graduation – week 8, Tuesday 2nd December at 5:50pm in the Flexible Learning Centre
- Junior School Aquatics excursion – week 8, Thursday 4th December from 9:30am til 3:00pm
- Volunteer Morning Tea – week 8, Friday 5th December at 10:45am
- Middle School Beach Carnival – Year 5 students involved in this
- Christmas assembly – week 9, Tuesday 9th December
- Class Parties/activities – week 9, Wednesday 10th December

I hope to see you at lots of these important events.

Leah McGlinchey
HEAD OF JUNIOR SCHOOL

YEAR 5 TRANSITION

Jacky Smith and I have been working on Transition Programs for our current Year 5 and 6 students. Many of the Middle School staff will be involved in these activities over the next few weeks. This will provide them with the opportunity to get to know each other, work together and become more familiar within the Middle School setting and staff. While we highlight transition at Reception, Year 5 and Year 7 levels of schooling, it’s important to remember that ‘transition’ is a process that happens throughout our lives, as we negotiate and adjust to challenges relating to new physical and learning environments, rules and routines, social status and identity. That’s why helping students to become more resilient and confident is vital. “Life is one big transition”.

Jody Macri
JUNIOR SCHOOL COUNSELLOR
POSITIVE BEHAVIOUR SUPPORT THROUGH SENSORY PROGRAMS

At Ocean View College there are many students who are on the Autism Spectrum. While we provide a number of therapies and interventions at the school, it is always good to share useful information with families. Understanding these behaviours and providing effective activities to overcome them is not only useful to Parents but to all members of the school community who have contact with these students. By using some of the interventions listed below, you can help to improve the behaviour and socialisation of these special little people. Have empathy and let’s work together to improve outcomes for all.

These are excerpts from SENSORY programmes by Sue Larkey.

Jody Macri
JUNIOR SCHOOL COUNSELLOR

MIDDLE SCHOOL REPORT

Congratulations to the students named who received Attendance Awards at the Middle School Assembly yesterday. Statistics have shown that regular attendance at school is extremely important and students’ results can be hugely impacted by absences.

CONGRATULATIONS

Congratulations to Ollie H a Year 9 who was presented with an Australian Scout Medallion from the Taperoo Sea Scouts last week.

This medallion is the highest award in Scouts. It is considered the pinnacle of scouting. To earn the Medallion Ollie had to participate in a leadership course which involved organising activities and camps for 20 students. He also had to complete a 30km hike and achieve the Adventurer Cord.

Ollie has been involved with the Scouts since coming from England only 2 years ago and so this is a fabulous effort and achievement.

In week 5 this term the Middle School will be participating in a Japanese appreciation week to encourage students to continue to study a foreign language and its culture. We have a fun week prepared with a whole range of activities, such as Japanese cooking, Martial Arts demonstrations, Sumo suits, traditional dancing, and traditional art and games. Also, the Thursday in Japanese Week will be a dress up day so come dressed up as your favourite anime/manga/Japanese game character! A manga competition will be running as well as other exciting events during recess and lunch times. We hope you will be excited to learn more about Japanese culture and this week will be a great way to see a part of Japan in Australia. Isshou ni tanoshimishimasu!

BOYS BIZ MEET THE POLICE

SAPOL paid a visit to Boys Biz last week to talk about the role of the Police and juvenile justice. The boys were engaged in a fantastic talk about what it is like to be a Police Officer in South Australia. Thank you once again to the Smith Family – located here on our campus for arranging
these interesting sessions. There are plenty more to come.

Jacky Smith
MIDDLE SCHOOL COUNSELLOR

SENIOR SCHOOL REPORT

It’s a busy time in the Senior Centre with our Year 12s finishing off their course work for the year and preparing for exams. Students have different finishing dates for their subjects as teachers want to keep them in class right up to their exam day. The physics exam started the ball rolling and it will be followed by maths and history later in the week.

Our Year 11s have been completing the Research Project this semester and overall have done really well. There is a number of Year 11 who are continuing to work on their project to free up their Year 12 study time next year.

Teachers are nominating Year 12 students for the Caltex Award and for individual subject awards which will be presented at our Graduation Ceremony at the Cruising Yacht Club on the 14th November. Parents are invited to our Farewell Assembly at 9am in the gym, on the same day.

Congratulations to Year 12 Caleb S who launched the 2nd issue of his magazine “Yewth” in the Regency Arcade last Friday night.

Larah Stieg
HEAD OF SENIOR SCHOOL

APPRENTICESHIP BROKER

Interested in starting an Apprenticeship? Book a meeting to see Vicki the Apprenticeship broker to further investigate your options.

See Shelley Hamilton at the Senior School front desk to make an appointment.

Vicki is available on Wednesdays between 9.00am – 11.00am

Vicki Bryant
Mobile: 0458 564 603
vicki.bryant@sa.gov.au

Parents Info Evening

The Future Student Engagement Team invite you to meet with us and learn more about the various aspects of university applications and student life in an interactive, small-group setting. Our student ambassadors will also conduct a short campus tour.

Date: Thursday 20 November 2014
Time: 6:00 – 7:30 pm
Venue: North Terrace, Adelaide

To Book: Contact Tony Duggan by Friday 14 November
tony.duggan@adelaide.edu.au

BEACON PRESENTATION

Thank you to the Beacon Foundation; on the 28th of October we were fortunate to have a presentation by Jacqui Crafter, the Reece ASbA Training Consultant. The presentation was attended by Year 10-12 students interested in career pathways ranging from providing customer service to various trades, project management to spare parts, warehousing and store management.

Beacon has been working with Reece to give Beacon school students’ priority opportunities to capitalise on Reece’s excellent school based traineeship program and employment. Numerous students expressed interest in the program.

CAREERS & WELLBEING COORDINATOR

NUNGA NEWS

Ninna Marni
PORT ADELAIDE ENFIELD COUNCIL – MESSAGE STICK RECONCILIATION RELAY

The Port Adelaide Enfield Council Reconciliation relay has started and we received the message stick box from Adelaide West Special Education on Monday. On Tuesday the relay proceeded to Largs Bay where Ocean View College handed the message stick to representatives of Largs Bay Primary school.

DIGITAL MEDIA

Dean Sumner has started classes in Digital Media with the Year 9 students. They are working in the Aboriginal Education Centre on Mondays L3 & L4.

SAASTA

The new enrolments for Year 10 SAASTA next year have attended an induction for next year.

Being picked for SAASTA is now being determined by the student’s attendance at their school and by their school reports. It is up to the students to attend school and make sure that their school work is up to date. If your child fits all the criteria for attending SAASTA and you would like them to go please make sure that the enrolment form that was sent home with your child is returned as soon as possible.

AIME

AIME for this year has now finished. We would like to thank Marlon Motlop and the mentees who came out every Wednesday afternoon to mentor our SAASTA students. We hope to continue with this program next year.
TRAINEESHIPS & APPRENTICESHIPS
If your child is interested in doing a traineeship or apprenticeship, please feel free to phone or come in and talk to Dean or Kym in the Aboriginal Education Centre.

Please call into the Aboriginal Education Centre and talk to us or drop in to have a coffee.

Kym Mitchell and Dean Sumner
ACEO

YEAR 9 OUTDOOR ED CAMP
Last week our Year 9 ‘International Sport & Introduction to Outdoor Education’ class went on their semester camp to Semaphore Beachfront Caravan Park.

The 20 students involved walked the 6km from school to our campsite carrying everything they needed for the trip. Students had an introduction to camping where they had to set up their tents and cook their own dinner on a trangia. The second day consisted of aquatics at West Lakes Aquatic Centre where students had the opportunity to participate in sailing, kayaking and surfing.

And finally, a big thank you to Mr Parham and Mr Rose for helping out.

Ellen Fisher
TEACHER

STAGE 1 OUTDOOR ED CAMP
Last week Stage 1 Outdoor Education students travelled to Port Vincent to take part in an aquatics camp. Over the three days, students participated in a variety of aquatic activities, whilst the Yorke Peninsula town of Port Vincent turned on some marvellous weather. Wednesday saw students take to the water and participate in sailing and knee boarding, with many students experiencing these pursuits for the first time, whilst others being able to build on the extensive skills they have acquired both in school and through regular sporting commitments.

Thursday saw students travel further down the leg of the Peninsula to Berry Bay where they took part in an all-day surfing safari. Berry Bay is a secluded and beautiful location with white sandy beaches and some of the best surf in SA. We were also treated to swimming with dolphins whilst they put on an acrobatic display amongst the waves.

The final day is always a challenge with some aching muscles from a strenuous surfing experience, however, the students suited back up to tackle windsurfing and another round of knee boarding.

This camp is the culmination of our Stage 1 Outdoor Education program and a fantastic way for the students to complete their outdoor experience for another year. We look forward to seeing these students continue to study Outdoor Education into
year 12 through our Stage 2 course and build on the aquatic skills they have gained.

Nick Gloede  
TEACHER

SAILING TEAM FUNDRAISER

The Ocean View College Sailing Team is offering a fundraiser for all families at Ocean View College through Kyton’s Bakery. Please order your favourite Christmas goodies through us and receive a discount! The traditional lamingtons are also available through this order process. All orders are GST Free. If you would like to place bulk orders for extended family and friends this is also fine. Order forms (found at the end of this newsletter) can be returned to the Front Office at Ocean View College and payment must accompany the order form. Additional forms can be collected from the gym. All order forms must be returned by Tuesday 2nd December 2014 and orders will be available for pick up from Ocean View College during week 9 this term. Please support our Ocean View Sailing Team!

THE SMITH FAMILY SCHOLARSHIPS

Learning for Life Scholarships

The Smith Family education scholarships give families and students the opportunity to access everyday needs for education by reducing financial difficulty and supporting all the family to achieve.

Are you eligible?
- Do you have a Health Care Concession or Pension Concession Card?
- Do you have a commitment to your child’s education?
- Does your child attend school regularly?

If so you may be eligible for a scholarship for your child/children.

Families who meet these criteria can receive payments from $384 per year, per student to help with the costs of their child’s education expenses such as uniforms, book, subject fees, excursions and camps etc.

Limited scholarships places are available.

Please contact Julia Dempster on 82483983 or Jessica Moser on 82483110.
